I'm thrilled. That's a particularly touchy intersection. Lots of pedestrians, too many fast cars. Thanks for working on this Melinda and community.

This is such great news! Just share with my daughter: Noelani jumped for joy and my mom said thank god!

Let us know when you get closer to the date of installation.

Also when we can share with the community. I'm sure the CM wants to make an official announcement.

Thanks!

Monica

Good Evening Everyone,

I am extremely pleased to announce that we have been awarded the NIF Grant and will be installing a brand new traffic signal at the intersection of Ave 51 and Figueroa! Each of you helped us with this project with letters of support, so I wanted to share the great news with you first. It is because of the vast amounts of community support for this application that we were able to make this happen. We are looking at seeing the project commence in the next 12 months.

Have a great weekend!
